Auditing the effectiveness of PE and Sport Funding Academic Year 2016/2017

From September 2013, school leadership teams will be held to account over how they spend their additional ring-fenced funding for the improved provision of PE and sport in Primary schools and academies. Ofsted inspectors will ask for specific details about how the money has been spent and the impact of this funding. This helps inspectors ascertain how effectively sport and PE form part of the school's overall provision.

This document allows school leaders to record this evidence in a clear and succinct format. This can then be shared with the leadership team, including the Governing Body, to ensure the relevant information is available to all.

This is a really useful document for school leaders when preparing for inspection.

2016/17 Sports Premium Funding £8,885

Brief overview of PE and sport provision in the school

93% of Y6 children can swim 25m

All children in school participate in timetabled PE sessions regardless of ability.

We use the experience of visiting sports coaches to supplement PE provision throughout the year and ensure the impact of sports funding is **sustainable** through observations, lesson plans and training of school staff. These include Lacrosse, cricket, football, gymnastics, rugby multisports.

School participates in interschool football competitions and hosts interschool athletics competitions. The children in KS2 attend the Worsley and Salford schools athletics competitions. Children take part in the Worsley Swimming Gala. Children will take part in cluster competitions: benchball and rounders,

School PE and Sport development priorities based on our school context and identified pupil need:
Ensure **sustainability** by teachers observing and working with sports coaches and looking at lesson plans.

We have identified sustained level of participation is required in competitive sports events and extra-curricular sports clubs to maintain the silver sports mark. .

Maintain links with WHS

Replace the damaged football goals to allow football matches to be played at St. Paul's

Quality Assurance. What systems are in place to ensure value for money and the involvement of the school leadership team, including the Governing Body, in overseeing the effectiveness of the projects?

Regular termly reports are presented to Governing Body meetings. Finance Governors will monitor effectiveness of spending. Discussion and decisions made at SLT meetings are recorded in minutes and reviewed regularly. Feedback from pupils may be used to guide future planning. Lesson observations of external providers by DH. Meeting with linked PE governor to discuss sports premium.
